- To grade enclosed seams
- To understitch
- To apply patch pockets
- To adjust tension and pressure

Show and Tell

at least one other person

Give

at least one demonstration

Dear 4-H'er:

Before you move on to the next level of 4-H Clothing for Girls, you should complete all of the construction technique requirements listed above. In most cases, this means that you will stay on one level two years. During the second year you will improve the skills you have learned by making different garments, using new or different construction techniques.

Project Report

What Did You Learn On

Garment 1

Garment 2

Garment 3

Garment 4

What sewing equipment did you learn to use?

What did you learn about working with corduroy?

What did you learn about working with a firm double knit?

What do you need to improve?

What demonstrations and/or exhibits did you give?

Title	Where	Date
-------	-------	------

How did you help others?

4-H Clothing Story -- Write a short paragraph about your problems, the things you learned, and what was the most fun about your clothing project.

Pictures, Fabric Samples -- Attach a snapshot and fabric sample of your garments.

Construction Samples -- Grading and understitching a collar.

This public document was promulgated at an annual cost of \$169.21, or 4.2 cents per copy, to teach 4-H youth how to make clothes.
